Other Entities

2. At all times relevant to this Indictment:

(a) The Surf Avenue Condominium was a real estate development which consisted of 8 condominium units located at 2100 Surf Avenue, North Wildwood, New Jersey 08260 (the "Surf Avenue Condominium").

(b) Countrywide Home Loans, Inc. ("Countrywide") was a financial lending institution located in Calabassas, California with a branch office located in Toms River, New Jersey.

(c) First Magnus Financial Corporation ("First Magnus") was a financial lending institution located in Tucson, Arizona.

(d) The Title Company of New Jersey ("TCNJ") was a title company at which real estate transactions took place and

had offices in Wildwood, New Jersey.

Mortgage Lending Generally

3. Mortgage loans were loans funded by banks and other financial institutions ("Lenders") to enable purchasers to finance the purchase of real estate. To apply for a mortgage loan, purchasers/borrowers typically filled out several forms, including a form called the Uniform Residential Loan Application. Lenders evaluated and relied upon the financial representations contained in the Uniform Residential Loan Application pertaining to the purchaser/borrower's income, credit eligibility, and down payment requirements, as well as other documents, in deciding whether to loan a particular purchaser/borrower money for a mortgage. In addition, Lenders also assessed the value of the real estate that would secure the mortgage loan by reviewing and relying on property appraisals and other documents.

4. After locating an available property of interest, a purchaser/borrower typically applied for a mortgage loan through a mortgage Lender or a mortgage originator. Generally, mortgage brokers were third parties who acted as an intermediary between a purchaser/borrower and a pool of potential Lenders, one of which was selected based on the purchaser/borrower's financing needs and ability to repay the loan. Mortgage brokers were generally responsible for collecting documents from the

purchaser/borrower in support of the mortgage loan, including the loan application. Additionally, the mortgage broker interviewed the proposed purchaser/borrower and obtained all pertinent data including the borrower's name, date of birth, social security number, home address, monthly base employment income, employer, assets, and liabilities. Frequently, the mortgage broker made the initial loan to the purchaser/borrower and then sold it to a Lender after a short period of time, usually between one to thirty days after making the loan. Other times, the mortgage broker simply obtained and verified all of the relevant information for the Lender, including information on the Uniform Residential Loan Application, and the Lender made the mortgage directly to the borrower. A mortgage originator also assisted a purchaser/borrower to complete a mortgage transaction. Unlike a mortgage broker, a mortgage originator distributed its own money to fund the mortgage.

5. Real estate appraisers were responsible for determining the fair market value of real estate properties. Fair market value was defined as the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, in which the buyer and seller act prudently and knowledgeably, assuming the price is not affected by undue stimulus.

6. Frequently, the mortgage loan was closed at a

title company or an attorney's office. If a loan closed at a title company, the title company's escrow officers were responsible for depositing monetary instruments and funds provided by the purchaser/borrower (including down payments) and mortgage funds from the Lender (which were typically obtained by wire transfer) or on its behalf to the title company's escrow account, and, when authorized by the parties to the transaction and the Lender, for disbursing the funds from the escrow account to various individuals and entities as detailed on the U.S. Department of Housing and Urban Development Settlement Statement (hereinafter "HUD-1 Settlement Statement"). The HUD-1 Settlement Statement detailed the actual disbursement of monies, including mortgage fund loans, to the proper entities and/or individuals according to the original loan application.

7. After the loan application was approved, the mortgage Lender caused funds to be transmitted (typically by wire transfer) to a settlement agent, such as a title company or a closing attorney. The title companies and/or closing attorneys then distributed the funds according to the HUD-1 Settlement Statements, generally with a large portion of the funds being distributed to the seller of the property. After funding the mortgages, the mortgage Lenders either serviced the loans during the mortgage period or sold them in the secondary market.

The Conspiracy

8. From at least as early as in or about December 2006 through in or about February 2007, at Wildwood, in Cape May County, in the District of New Jersey, and elsewhere, defendants

PATRICIA SMITH,
JAMILAH SMITH,
OLLIE RUDOLPH THAXTON, and
CAROL ASHLEY

did knowingly and intentionally conspire and agree with each other and with N.T., T.R., Darryl Henry, and others to devise a scheme and artifice to defraud, and to obtain money and property by means of materially false and fraudulent pretenses, representations, and promises, which scheme and artifice is set forth below in substance and in part, and for the purpose of executing such scheme and artifice, to transmit and cause to be transmitted by means of wire communications in interstate commerce certain writings, signs, signals, pictures, and sounds, contrary to Title 18, United States Code, Section 1343.

Object Of The Conspiracy

9. It was the object of the conspiracy, which caused more than one million dollars of losses to various Lenders, to profit from the sale of the Properties at inflated prices by obtaining mortgage loans for unqualified borrowers using fraudulent loan applications, HUD-1 Settlement Statements, and other documents.

Manner And Means Of The Conspiracy

10. It was part of the conspiracy that the conspirators arranged to sell real estate properties (the "Properties") to "straw purchasers," (the "Straw Purchasers") including defendants PATRICIA SMITH and JAMILAH SMITH, whom the conspirators knew had good credit scores, but lacked the financial resources to qualify for mortgage loans to purchase the Properties.

11. It was further part of the conspiracy that the Straw Purchasers, including defendants PATRICIA SMITH and JAMILAH SMITH, agreed that in exchange for purchasing the Properties in their names, the Straw Purchasers:

a. would neither pay deposits or closing costs to acquire the Properties; and/or

b. would receive an up-front payment after the closing for allowing their names and credit information to be used in connection with the transaction.

12. It was further part of the conspiracy that the conspirators, including defendants PATRICIA SMITH, JAMILAH SMITH, and CAROL ASHLEY falsified loan applications by providing false information concerning the employment, income, and assets of the Straw Purchasers such as defendants PATRICIA SMITH and JAMILAH SMITH.

13. It was further part of the conspiracy that the

conspirators, including defendants PATRICIA SMITH, JAMILAH SMITH, and CAROL ASHLEY submitted and caused to be submitted to the Lenders false and fraudulent mortgage loan applications and supporting documents to induce the Lenders to make the loans to the Straw Purchasers, including defendants PATRICIA SMITH and JAMILAH SMITH.

14. It was further part of the conspiracy that the conspirators, including defendants PATRICIA SMITH and JAMILAH SMITH, caused fraudulent documents to be prepared concerning the Properties, including HUD-1 Settlement Statements that were supposed to accurately reflect the amounts of money due from the Straw Purchasers and to be paid to the sellers to close the sales of the Properties.

15. It was further part of the conspiracy that prior to and during the closings, N.T., T.R., Darryl Henry, defendants PATRICIA SMITH and JAMILAH SMITH, and others caused the HUD-1 Settlement Statements, settlement disbursement sheets, and other documents to be manipulated, to show that the Straw Purchasers, including defendants PATRICIA SMITH and JAMILAH SMITH, brought their own funds to the closing when, in fact, the Straw Purchasers did not.

16. It was further part of the conspiracy that the conspirators, including N.T., T.R., and Darryl Henry, took proceeds from the fraudulent mortgage loans by having funds wired

into various accounts that they controlled. The Straw Purchasers, including defendants PATRICIA SMITH and JAMILAH SMITH, were paid a portion of the funds, and the recruiters of the Straw Purchasers, such as defendant OLLIE RUDOLPH THAXTON and Darryl Henry, shared the remainder of the funds with other co-conspirators, such as N.T. and T.R.
